A $400 deposit is required in order to secure buyer's place in line on our waiting list. This deposit goes towards the purchase price of the puppy. Taxes are included in the purchase price. Deposits to hold a puppy are non-refundable but may be applied to a future litter for up to two years.

Payment must be in form of e-transfer or cash. No personal cheques will be accepted. All payment must be paid in full before taking the puppy home.

Puppies are chosen in order of deposits placed. The breeder has the right to reserve the first choice of every litter.

It will be up to the breeder to decide when the puppy will be ready to go to its new home. Usually it will be at the age of 8 weeks, depending on the puppy, weight of the puppy, and how easily it is weaned from its mother. The breeder will not, under any circumstances, let the puppy leave before it is ready. There is an additional charge for puppies kept longer than 7 days after the breeder has given the okay for the puppy to go to its new home.

Puppies may be shipped after 8 weeks of age, but this is at the breeder's discretion. A certified veterinarian must clear the puppy for flight. Final payment must be received before the puppy is dropped off for its flight. Buyer covers cost of flight, travel carrier for the puppy, and cost of travel to and from the airport.

Shipping is not included in the purchase price of the puppy. The buyer will be responsible for the cost of shipping and any cost associated with shipping.

The buyer agrees to provide their puppy with a safe and loving home.

Non-Breeding Contract:

1. The buyer agrees to a NON-BREEDING CONTRACT, which will be kept on file with breeder and buyer. By signing this contract, buyer agrees to ensure the said dog is not bred or allowed to produce a litter before being altered.
2. The buyer agrees it is their responsibility to arrange to have said dog spayed or neutered and send proof of spay/neuter within the first year of purchase. If this is not done, all guarantees will be void and breeder will require buyer to pay an additional $5,000.
3. Buyer agrees that if said dog does transfer ownership, the non-breeding contract must remain in effect.

No other agreement is made or implied, except as stated in this purchase agreement/contract and the health guarantee.

By signing below, the buyer acknowledges that they have read and understand the above purchase agreement/contract and agree to the terms therein.
